Welcome to Arts1

Welcome to the Arts1 Evening & Weekend School Prospectus.

When we founded Arts1 in 2006, our vision was to create a space where talent could be nurtured and developed, as well as a place where people could grow both personally and creatively.

Now, almost 20 years later, we are proud to have beautiful studios, an exceptional faculty of specialist staff and a vibrant, thriving community. Yet, the core values that inspired us at the beginning remain just as strong today.

At Arts1, our classes are a supportive and inclusive space where students are encouraged to take risks, ask questions, make mistakes, but above all, have fun. These experiences shape not just great performers, but confident, resilient and empowered individuals, with life skills that extend far beyond the Arts1 studios, which are spaces that continue to inspire creativity, collaboration and ambition.

We're excited to introduce an expanded programme of classes in this prospectus, and whether you're joining us for one class a week or many, we hope you'll find something that sparks your interest and fuels your passion.

If there's something new you'd like to explore, just let us know! We're always happy to help you try something different and discover new strengths.

Whatever has brought you to our school, we're so glad you're here and we can't wait to see where your journey takes you.

A photograph of two young girls in a dance studio. The girl in the foreground is seen from the back, turned slightly to her left, smiling. She has blonde hair in a braid with a light blue bow. She is wearing a light blue short-sleeved leotard. Another girl is visible behind her, also in a similar outfit and hairstyle. The background shows a purple wall and a window with a white frame.
